KITKATS

T-KIK-TF-0001-Z

Sourced from century-old disused buildings in the U.K, hand selected beams are delicately matched together to create a masterful piece of nature. The simple, brutalist form evokes the wild, untamed essence of the forest and hints at a primal civilization. Handmade with pride, using traditional carpentry techniques to preserve every characterful knot and grain of the wood. The Kitkats coffee table offers a bold area to make new acquaintances.
