ZAZENNE

T-ZAZ-OM-0001-Z

Sit and meditate on Zazenne. Finished in sleek shiny steel, this architectural collection embodies a truly modern aesthetic. Designed for the millennium, Zazenne takes its inspiration from the clean lines of Japanese architecture, and translates it into a highly sculptural range of desks, sideboards, and side tables. Painstakingly handcrafted and assembled, each Zazenne piece requires many hours of labour to complete, demanding maximum levels of precision and finesse.
